Bill & Judy Shalag have experienced great adversity in their lives; 2 of their 3 kids were killed in car accident. As a result, they want to help others through their journey of grief. So they want to open a multi-purpose retreat center that will be rented out to encompass all aspects of healing, meditation, & spiritual renewal. The center is new construction with a L shape main building 7,800 SF. The main gathering area for large group is the 1800 SF Spirit Room. #8 repeats throughout the space.
